September 14 made up on April 18
September 17 made up on April 22
September 18 made up on May 28

The District is in the process of having rooms tested, abated, filtered and retested. This process takes time for negative air machines to remove mold spores and air sample processing. American Abatement Group and ServiceMaster are working together to provide a more extensive work force, additional air filtering machines and industrial dehumidification equipment.

The superintendent and maintenance supervisor will update the Board during the regularly scheduled meeting on Tuesday, September 19, 2018. The meeting is scheduled for Rockhill gymnasium.
